

COMPETITION CREDIT ACCOUNT (CCA)

To play in the Sunday Morning Competitions all Forrester Park Golf Club members must have a Competition Credit Account with sufficient funds in it prior to their tee-off time to cover the cost of that day's competition. This account is simple to set up but if you struggle at any point then please get in contact with Simon Harding, the Men's Section Treasurer, whose details are listed below.

For those members who do not have a CCA and who intend to play in the Sunday competitions, then they need to transfer sufficient funds (Reference Name + CCA) into the Men's Section Co-op Business Bank A/C. It is recommended that members transfer £20 - £30 at a time to minimise the number of times they need to check their CCA status, but obviously the amount is down to the individual.

It is suggested that members consider the setting up of a monthly Standing Order with their Bank to simplify the process and ensure that adequate funds are in place.

Details are:

Co-operative Bank

A/C Name: Forrester Park Golf Club Committee

Sort Code: 08-92-99

A/C No: 65427149

On receipt of the money the member will be added to the CCA sheet and allocated a number. The CCA sheet is updated virtually on a daily basis. Funding can also be made by paying cash to the Hon. Treasurer or by using any Forrester Park Golf Club Vouchers that a member may win. Competition Fees will be deducted from a members CCA on the day of the competition and names are taken via the BRS start sheet and cross checked with the Howdidido competition sign in information for that day. **It is the member's responsibility to cancel via BRS if they are unable to play, otherwise they will be charged.**

A member's CCA can be viewed online by going on the main Forrester Park Golf Club website (www.forrester-park.co.uk). To find it just head to:

- Golf (on the top menu)
- Select 'Member Information'
- Then choose 'Men's Section (Click on Visit Men's Section Website link)
- Once there, select CCA (Competition Credit Account) from the menu to the left.
- Then CCA Live Status
-

The Men's Section Page is a great page to bookmark as it's full of information about upcoming events, competitions, rule changes and more.

All monies in the CCA system are shown as an outstanding liability in the Club's Financial Accounts. A member can request their remaining funds to be returned at any time by notifying the Hon. Treasurer of their request and providing their appropriate bank details to facilitate the transfer.
