A GUIDE TO MEN'S SECTION COMPETITIONS

Fantastic to hear that you're interested in taking part in some Men's competitions; we're always look form more members to get involved! Competitions are not only great fun but also a brilliant way to meet new people, enjoy some competitive golf and maybe even win some prizes.

Competitions are booked through BRS either by finding the competition on the list of competitions via the BRS homepage or by navigating directly to the date. Each competition will have the format included in the title but a further banner with additional rules can be found on the tee sheet itself. Bookings slots are available in advance off both the 1st and 10th tees from 7.30am – 8.30am but may also be spread across the whole day or be Shotgun starts (usually at 8am). Just add your name anywhere, especially if it helps form a larger group.

If you ever have any questions or need help booking yourself in, be it finding someone to play with or queries about playing rules – don't hesitate in getting in touch.

As a Forrester Park member, you can take part in competitions provided you have an official handicap and have a funded **Competition Credit Account** (more details below). If you haven't yet gained an official handicap and would like more information about how to do so then please contact myself or Bill on 01621 891406. In some cases you can participate in the competition as a non-competitive player to get a card towards your handicap.

Score entry for competitions is managed via the **Howdidido** app. If you haven't used this app before it is similar to the England Golf (My EG) app but you register for it using your email address. You can also use this app to enter casual rounds so you can always use it for general score entries ahead of competitions to get to grips with it.

There's **always prizes to be won for competitions** either for placing in the top 3 either in the main competition or in your handicap division. These prizes are most commonly 'Vouchers' which can be redeemed either on your member card, used to add money to your CCA or in the Golf Shop. Most competitions also offer 'Birdie Vouchers' where you get a £5 voucher if you get a birdie on a par 3.

Hopefully this has all got you suitably excited to be playing in Forrester Park Competitions. The main thing is that you enjoy being in these competitions so if you ever have any problems then don't hesitate in letting us know so we can help.

The final step is setting up your Competition Credit Account (CCA) which is explained on the next page. If you have any questions with this then please contact the treasurer, Simon Harding.

Good luck!
